Kia ora , I'm a father of 3, Arana 2 , Adele 7 and Amos 9, I've been married coming up 13 years in July.

Currently we have two children attending MWP who have had great successes at the school, both receiving a number of variety awards in academics sports and being recognized for upholding and displaying outstanding character values.

I'm very passionate in seeing the seeds of potential come to fruition for our future generation. I believe that every child has the potential to achieve great things if surrounded in the edifying environment. Which is why for the last 7 years I've been at Solomon group in Manurewa working with our young people. Helping to believe in themselves by affirming, validating and encouraging our tamariki to strive for greatness.

I've been working with Youth for the past 15 years in a number of organisation up and down the country, what I've seen, one key determining factor for our tamariki to succeed is confidence. Sometimes it takes someone else to believe in our Tamariki before they believe in themselves.

Having the honour to represent NZ around the world on the international stage in Karate, Touch Rugby and Rugby Union, I feel I've attained a number of skills , traits qualities that will be of great benefit to our tamariki at MWPS.

It would be a privilege to be on the BOT at MWPS and help them to turn their dreams into reality.  
Nga mihi kia koutou.
